Sir:

COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Applicant received a Notice of Allowance dated November 1, 2004 for the above-identified patent application. In the Notice, the Examiner allowed claims 1-4, 6-12 and 14-25. In the final Office action, the Examiner indicated that some of the originally filed dependent claims were allowable, with the subject matter of those claims being paraphrased in the Office action. In the Notice of Allowance, additional claims were allowed and additional reasons for allowance were presented. Applicant agrees with the Examiner's conclusion regarding the patentability of the allowed claims, without necessarily agreeing with or acquiescing in the Examiner's reasoning. In particular, Applicant believes that the claims are allowable because the prior art fails to disclose, teach or suggest the subject matter recited in the allowed claims, independent of how the subject matter of one or more of these claims may be paraphrased or otherwise described.

If the Examiner has any questions or wants to discuss this matter in more detail, the Examiner is invited to contact Applicant's undersigned attorney at the number listed below.
